

School and MAT Leaders Residential Conference

9th & 10th November 2023, Marriott Hotel, Leicester

*Excellence in School and
MAT Culture*

“

First time attending and it was fabulous. Great speakers, great venue, very professional and well organised. Good value for money, great evening entertainment (band)- loved it and got a great deal to take away. Thank you!

We would like to invite you to attend our ninth annual residential leadership conference, this year taking place at the Marriott Hotel, Leicester. The event is exclusively available to our Inspiring Leaders community of MATs and Schools and Teaching School Hubs that make up our growing partnership. Our conference brings together this community every year and provides a unique opportunity to collaborate and share practice with colleagues, as well as being inspired and reinvigorated leaders.

This year's conference focuses on **excellence in school and MAT culture**, as we seek to learn from those working within and beyond the education sector, providing inspiration for all leaders from our schools and MAT community. Defining and leading an organisation with a strong culture is essential for delivering excellent outcomes for pupils, staff and the wider community, and our aim at this year's conference is to enable leaders to learn from successful individuals and teams who have achieved this in their work.
